What is Wakayama Ramen ?

"Wakayama Ramen", also called Chuka-soba by the locals, has two different types of soup. Both style of ramen have thin and straight noodles.

Shoyu (Soy sauce)
 Shoyu style ramen was originally eaten around old streetcar stations that were located in downtown. This is the predominant flavor of Wakayama Chuka-soba for the locals.

Tonkotsu shoyu (Pork bone broth and soy sauce)
 This style of Wakayama ramen is well known throughout Japan.

[Usual toppings]
 Green onion (Negi), Slice of roasted pork (Chashu), Pickled bamboo shoots (Menma), Fish cake (Kamaboko), Hard-boiled eggs (Nitamago), Mackerel sushi (Haya-zushi)

Beginners Guide !

You may feel a little bewildered when you first enter a Chuka-soba (Ramen) shop, because seating and water is often self service. But don't worry - just relax and enjoy yourself. At your table you will find baskets full hard boiled eggs and Haya-zushi (Mackerel sushi) that is usually found in green wrappers. This sushi is a local specialty of Wakayama. You can go ahead and help yourself to sushi and eggs as much as you want. When you pay at the register, just tell them how many pieces of sushi and eggs you ate.
